PROJECTS

ARYADHURGA CLOUD KITCHEN -FOOD DELIVERY WEB APPLICATION

Designed a food delivery web application using HTML, CSS, JavaScript, and PHP, enabling customers to conveniently order food from their location. This project enhanced my project management skills and technical expertise.

Attendance Management System

Designed an Attendance Management System (AMS) with two modules: Faculty and Admin. Faculty can take attendance and generate reports, while the Admin can manage faculty and student records by adding and updating data.

Personal Portfolio

Developed a responsive portfolio website using HTML, CSS, JavaScript, and GSAP. The website showcases my projects and highlights the skills I have acquired. Designed for an interactive and engaging user experience.

CERTIFICATION & ACHIEVEMENTS

- Participated in 'AWS Unleashed: Transform your skills with Hands-On Cloud Training' under the Department of Computer Applications.
- Certification on Python Bootcamp.
